20th October 2016

Dear Parents and Carers,

Please note that the newsletter will continue to be produced on a Friday however we are going to experience a power outage tomorrow and therefore have produced this week's newsletter early.

Staff and students returned from Lake Keepit safely after 3 days of fun-filled activities. A favourite amongst the students was the Mud Run. Congratulations to Miss Kendall, Mr Milligan and Miss Aberley for taking part in the Mud Run and the Giant Swing. Thank you to parents for sharing the positive stories that the children have been sharing at home. It certainly was a fun excursion, we look forward to return to Lake Keepit in future years.

The Year 5 and 6 students are busy preparing for their excursion to Canberra. The final instalment for this excursion was due today.

Please note the change of date for our Walgett Football and Netball Day – it is now Thursday 27th October.

We will have a **visiting Speech Pathologist, Belinda Hill**, attending our school for the week beginning the 5th of December. **Belinda assesses and designs programs for our students** where required. **The program will be taught by a specialist speech and language tutor** throughout the 2017 school year. All KinderStart children will have a screening test and further testing by Belinda, if necessary. Please ensure your child is at school on the **7th December** to participate in this program.

Please share this information with family and friends who may have a child commencing school in 2017.

Our students are in need of newspapers and appropriate content magazines for use in our classrooms. If you have any available, please drop them off at the Office.

Please note Nyngan Public School has been informed by Essential Energy that we will be without power tomorrow between 9.15am and 1.15pm. In this time our phones will not work as they rely on electricity.

The canteen will be closed TOMORROW due to the power stoppage. We apologise for any inconvenience.

Kylee Pearce
Principal
