Thank you to Miss Kendall and Miss Jackson for supporting our students to attend this event by working with them to learn the dance that they performed.

Well done Nyngan Public School staff and students for your Jump Rope for heart fund raising. Much fun was had after lunch today enjoying the skipping performances presented by each class, small groups and individual routines. Thank you to Miss Kendall for her organisation of this event.

Students from Nyngan Public School have been invited to take part in the Community Carols by Candlelight on Saturday the 10<sup>th</sup> of December, 2016. The carols will commence at 8pm after the Garden Club Christmas Markets. We look forward to seeing as many Nyngan Public School students at this community event. ## **Sport and Recreation's Swim and Survive lessons**

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

**Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).**
