AROUND THE SCHOOL

Year 3 have had one busy week this week! We put our construction skills to the test by building models of our favourite 3D shapes. Some models included a cube, rectangular prism, triangular prism, square based pyramid and a triangular based pyramid. We created our models using only marshmallows and tooth picks and it was a lot of fun!

Reminder to Year 6 Parents to return your child's enrolment form and excursion deposit to the Nyngan High School front office ASAP. The deposit is due by the 2nd week in December. The enrolment form and excursion information were handed out during Middle School. If you have any questions please call Nyngan High School on 0268321 004.
