Dear Parents and Carers,

Congratulations to all students for managing to stay relatively dry given the wet weather conditions recently experienced. Thank you to the many family members who braved the cold with Mr Bonsing yesterday to support students in their participation in high jump. Special mention must go to Bradley Stanford who has been voted in as Nyngan PS top 'jumper' to date! Thank you to Mr Bonsing for his organisation of this event. We hope to see you all at our Athletics Carnival on Tuesday. A decision regarding the running of the carnival on Tuesday will be reliant on the weather. A decision will be made on Monday and placed on the app and the school sign.

Mrs Miles travelled to Dubbo yesterday with Claire Robb and Siarra Chatfield to participate in the Premiere's Public Speaking Challenge. Congratulations to Claire and Siarra for the confidence they displayed on the day. We are proud of you! Thank you, Mrs Miles for preparing Claire and Siarra for the challenge.

Kindergarten, Year 1 and Year 2 visited the Railway Museum this week as part of their study of Families Past and Present. A big thank you to Auntie Glad and Mrs Corby for sharing the wonderful history on show at the railway Museum.

Ava Cummings, Sophie Johnson, Matthew Milligan and David Martin visit the Railway Museum.

Thank you to Mrs Bartley for conducting an enjoyable and informative Numeracy workshop for parents this week. Parents who attended had a wonderful time sharing and learning together. I hope you enjoyed sharing your learning with your children when you got home. We look forward to hosting more workshops in Term 3. Watch this space!

Congratulations to the following students who visited the Principal's Office this week:

Tyreek Weldon and Chloe McCarthy have been busy this week completing patterns which required them to be able to count up and down by 2's and 5's with fluency. Great counting!

Bradley Fitzalan celebrated moving up a table level. He was able to show me his terrific recall of tables. Thank you for visiting Bradley.

Smokey Peckham-Griffin, Lillian Whaley and Halee Vane sat with me and showed me how they could use concrete materials to make cubes and cones. Not only were they able to make these 3D shapes but they were able to share their technical name – cube and cone. Great work Kinder!

Ella Morgan was excited to show me how she could apply strategies such as 'friends of 10' and 'doubles' to addition. Great work Ella!

Chelsey Fitzalan, Bella Smith and Rayyan Noor were able to share their continued development of quick recall in addition. This is a skill they will make use of throughout their lives. Well done!

Chelsey, Lillian, Smokey, Halee, Bella, Chloe, Tyreek, Bradley and Rayyan

Congratulations to the RED MODULE for their fantastic item shared at Assembly on Monday. The staff on duty this morning enjoyed an impromptu encore when Mr Wah just happened upon the right song when providing his playground music.

******PBL Rewards Day****** - For the last two terms, the students of Nyngan Public School have been working very hard to show our core values of Safety, Respect and Cooperation in the playground. When observed displaying these values the students have been awarded a Bango Buck. These Bango Bucks have been used to draw a winner each week for our Bango Voucher. The rest of the Bango bucks have been accumulating in a container, waiting for it to be full. We are happy to announce, IT IS FULL!!!

This signals the need for a Rewards Afternoon. Our students have worked so hard and the school will be rewarding them for their efforts.

On Friday 1st July, the last day of term, our school will be holding a Rewards Afternoon. This afternoon will involve the rotations of students through a number of fun and interesting activities. Our parents, carers and friends are welcome to attend the event to join in the fun and celebrations.

We welcome all parents to join us, after lunch on the day, to celebrate this wonderful achievement with our students.

High Jump - Despite the cold and the rain, we managed to complete all of the high jump events yesterday. A shout out to the great teachers we have at Nyngan Public School for being so flexible. More so to our fantastic students who gave their best efforts in what was less than ideal conditions! Even though the surface was a little slippery some pleasing jumps were made – I didn't think Bradley Stanford was going to ever miss a jump! He reached 1.18 metres.

The smiles and determination shown by all competitors was amazing. Ty Theuma can hold his head high knowing he can perform a high jump higher than his teacher. Great job, Ty!

Thank you to all involved and the students who helped set up and pack up the gear. The day illustrated what a great school and students we have at Nyngan. Darryl Bonsing

Premier's Multicultural Public Speaking Competition

Yesterday, Claire Robb and Siarra Chatfield participated in the Premier's Multicultural Public Speaking competition which was held in Dubbo West Public School.

Each student had to have a prepared 3 minute speech on a topic of their choice – Claire's was Every Family has a Story and Siarra's was Words Can Hurt. After they had presented their prepared speech, they had to present an impromptu speech. They were given 5 minutes to prepare by themselves and then required to present a speech for 1 minute. Both girls worked incredibly hard preparing for this competition. I am tremendously proud of their mature approach in preparation and the way they presented their speeches to an audience of unfamiliar faces. Congratulations Claire and Siarra.
