22nd July, 2016

Dear Parents and Carers,

I trust that all families have had a restful holiday. Students have returned energised and ready for work.

I would like to congratulate our netball team, Miss Devereux and Marea Johnson for progressing from Dubbo to the next round in Orange on August 10th, 2016. Miss Devereux was notified this week that the team had progressed to Orange.

Nyngan Public School will welcome Miss Chloe Aberely to staff next week. Miss Aberley will be teaching Year 5/6 on a Tuesday and Wednesday and working across the school on the remaining days to teach Library K-6. We look forward to introducing Miss Aberely to parents and students next week.

I apologise for any inconvenience that our postponements of the Athletics Carnival have caused. Unfortunately we have experienced difficulty getting the weather to co-operate with us! We hope to run the carnival on Monday. Heavy rain over the weekend may cause another postponement. Families will be notified via the app on Monday morning.

Congratulations to the following students who visited the Principal's Office this week:

Matt Lynch visited to share his use of speech marks in a very descriptive narrative.

Rayyan Noor wrote a descriptive story using onomatopoeia to add interest for the reader.

Hannah Knight was proud of the 5 sentence story that she wrote.

Summer Cook showed her beautiful cursive writing and use of punctuation when writing.

Sienna Norris brought along her independent writing which demonstrated her ability to hear and write sounds in words.

Chelsea Fitzalan was also very confident in her use of onomatopoeia in writing.

Jamaal Simpson wrote a descriptive story using paragraphs with great confidence.

Bella Smith celebrated achieving her personal writing goal.

Congratulations to each of these students and thank you for sharing your success in learning with me.

Congratulations to staff for the tremendous learning opportunities you provide to your students on a daily basis!

Positive Behaviour for Learning

Our PBL Lessons will recommence again on Monday Week 2, and continue for the remainder of the term. Our team has decided that we will keep the same PBL focus for a two week duration for greater engagement and achievement of the intended behaviour.

Our PBL focus for weeks 2 and 3 will be The Library. Nyngan Public students are very lucky to have their library open for use every day of the week. Over the two weeks, students will discuss and analyse the expected behaviours that they should demonstrate in the library. The students will work through a number of activities to understand why these behaviours are necessary for our “inside playground”.

Kindergarten is the stars of this fortnight’s lesson. They worked on role playing activities that occur inside the library so they could be photographed and videoed, for the rest of the school to discuss. Below are some of the photographs from these lessons.
