2<sup>nd</sup> September, 2016

Dear Parents and Carers,

Thank you to Mrs Milligan and her team of SRC members. The Father's day stall went off without a hitch! We hope that all Fathers, Pops and Uncles have a lovely day on Sunday.

I would like to congratulate all students who attended the Athletics in Dubbo today and commend their families for their dedication.

Many of our students are preparing for a trip to Walgett on the 14<sup>th</sup> September to play either football or netball. Many thanks to Mr Rose and Mrs Shone who are hoping to train this Monday and next after school, depending on the weather. If the rain has stopped please assume the training is on.

## **Then and Now**

Students at NPS will be treated to a performance on the 7<sup>th</sup> of September, 2016. This performance is funded through NPS RAM allocation. Whilst there is usually a cost of \$6 per student it is FREE to students of Nyngan PS. Parents are welcome to come and watch if they would like.

The P&C Meeting to be held this Tuesday has been cancelled. We hope to see many parents at the first meeting for term 4 which will be held on 1<sup>st</sup> of November, 2016.

The final AECG meeting for Term 3 will be held on Monday the 12<sup>th</sup> of September at Nyngan High School at 4pm.

Visiting the Principal's Office this week were David Martin, Ava Cummings and Kalee Heenan. All were very proud of the writing they had done that day. Super work David, Ava and Kalee!!

## Positive Behaviour for Learning (PBL) Focus

For the next two weeks our school PBL focus will be The Oval – Keep hands and feet to yourself. In this fortnight students will discuss the things we can and can't do with our hands and feet while using the oval. The lessons will follow "A day in the life of a hand" to outline the things our hands do in a day and when it is OK to do certain activities and when it is not.

Students will be questioned a lot about context. For example – is it OK to use your feet to kick? For this

example it would be *right* to kick a ball, but *wrong* to kick another person. The students will be involved in activities to decide when and where it is right or wrong to do certain activities with our hands or feet.

Due to the wet weather, our stars for this week were two students borrowed from the purple module for some photographs. Although their hands and feet were the true stars, Claire and Lauren are our PBL actors for this fortnight's lessons.

## Around the School

Kindergarten have been enjoying music with a recent focus on the making of a percussion instrument. Much fun was had and a 'little' mess made when making their maracas.

Amy proudly shows the Father's day gift made with Mrs Scullion in 5/6 while Halee, Siena and Lillian shake their maracas and Billie-Rae and Siarra show the model of their brains made in 4/5D.

Thank you to Pricilla Lord who visited 4/5K through the week and guided the students in painting a canvas.

### School Disco

The SRC is excited to announce we will be having a school disco on **Tuesday 13<sup>th</sup> September**. The theme is "Your favourite colour".

### **NYNGAN PUBLIC SCHOOL WELL REPRESENTED**

On Thursday 18<sup>th</sup> August NPS took three teams to Warren for the Ridley Trudgett Gala Day. We were incredibly lucky to be able to watch and support each other. Each team played well, but more importantly we encouraged each other and showed excellent sportsmanship.

The year 3/4 team showed great improvement over the day. The training on Tuesday and Thursday has resulted in better court placement and ball skills. All players had the chance to play numerous positions and by the end of the day they knew where they were going and what their job was.

The year 5/6 teams also played numerous positions, coached each other and helped the year five students prepare for next year. They were on the go all day, changing courts, positions and sometimes even teams. Well done for being flexible.

This was a developmental day so our umpires were there to educate and encourage. Thank you to Jamie Bailey, Teressa Rose and Billi Smith who did this on behalf of NPS.
