31st March 2017

Dear Parents and Carers,

There has been much excitement at school today as final preparations have taken place for the P&C fete tonight. Congratulations to our dedicated fete committee, led by Kristy Neill and Kym Benson. Thank you, Kristy and Kym for the many hours you have put into organising a great night for all.

Miss Kendall has been busy working with Miss Scott and Mr Partridge from Nyngan High School. The 3 staff members travelled to Sydney to take part in training associated with a joint project between Nyngan High School and Nyngan Public School. This will see a focus on curriculum transition for our Year 6 students progressing to Nyngan High School in 2018.

As we prepare for holidays I would like to remind parents of the importance of knowing how your children are making use of social media. Students under the age of 12 are not legally permitted to have a face book account. At school we remind the students of the importance of being safe, respectful and cooperative members of our school community and the wider Nyngan community.

All students have been taking part in ANZAC marching practice as part of our PD/H/PE curriculum. The students look very impressive as they march around our oval for 1 lap each morning. It would be most impressive if 100% of our students were able to show the wider Nyngan community the appreciation that our students have for those that are remembered on ANZAC Day.

Lachlan Director of Education, Maree Angus visited classrooms at Nyngan Public School yesterday to view the learning opportunities available to students. She was introduced to the variety of programs made available to our students and invited to view the evaluation and assessment processes that take part at Nyngan Public School. Congratulations to staff and students who work tirelessly every day to ensure quality learning is taking place.

I must admit I am on the countdown – it appears that my turning green is only hours away! See you tonight at the Nyngan Public School P&C Fete.
