## Kindergarten

Kindergarten had a wonderful week exploring some important life skills in hygiene and cooking, which was also a great writing stimulus for them. They loved the 'hands on' experience of mixing the cooking ingredients together and adding very special extras to the mix, such as sprinkles, white chocolate chips or chocolate chips. As much as they loved their cooking experience they may have enjoyed eating them even more. Thank you to our lovely Year 3/4 group leaders for helping us to create our masterpieces.

## CANTEEN NEWS

As of Monday anyone that would like hot food for recess or lunch will have to order before 10am. Hot food takes time to prepare and cook and is too hard to do while trying to serve the children at the same time.

We would like to thank Kasey Ryan for making cupcakes every day and sending them in for us to sell to the children, it is very much appreciated.
