Nyngan Public School provides – quality education for all children
through dedicated teaching in a secure, caring country environment.

Safety, Respectful, Cooperative Learners

15th September 2017

Dear Parents/Carers,

Staff and students at Nyngan Public School have welcomed Jane Atkinson to staff this week. Jane will be working on a casual basis at Nyngan Public School.

Years 5 and 6 are counting down to their excursion to Sydney next week. We look forward to hearing about their adventures early next term.

Years 3 and a selection of Year 4 students will be sitting NAPLAN online testing next week. This is to test the technology and testing process prior to the implementation of NAPLAN online for Years 3 and 5 in 2018. As far as I am aware students will not be given results from the tests completed next week.

Year 12 students from Nyngan High School who attended Nyngan Public School will be visiting Nyngan Public School on Tuesday next week. We look forward to going for a trip down memory lane with the students.

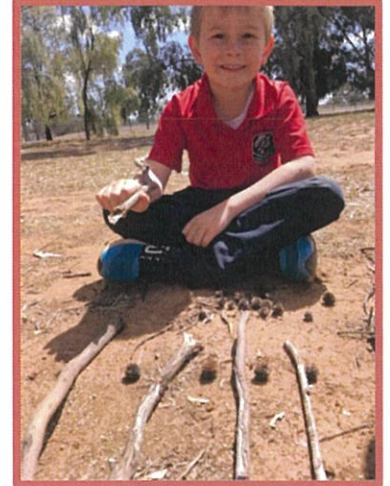

The confetti fairies have visited Nyngan Public School on many occasions this week. Staff and students have had a great deal of fun helping Miss Kendall celebrate her final week at Nyngan Public School as Miss Kendall. We look forward to welcoming her back next term as Mrs Lennon. We would like to wish Erin and Jeffery a wedding day full of sunshine!

I would like to wish staff and families a safe and relaxing holiday. I will be on leave next week, returning to commence Term 4 on Monday the 9th of October.

Kindergarten

This week Kindergarten completed a unit on Patterns. They had a great time using their hands, not only in the classroom but also in our playground creating patterns with leaves and nuts. By sharing their creations with their friends they were able to put their different ideas together to create new ones.

Heart Foundation
Jump Rope for Heart

Our school is participating in the Heart Foundation Jump Rope for Heart program and we would love your support!

Heart Foundation Jump Rope for Heart is an exciting and non-competitive program which encourages children to become more active through skipping, learning new skills and raising vital funds for heart research and community health programs.

Skipping is an excellent way for children to keep fit and healthy. During Term 4, your child(ren) will be learning a range of fun skipping skills and new tricks. We will emphasise the importance of regular physical activity and the importance of healthy eating for a healthy lifestyle.

Jump Rope for Heart is also a great way to encourage children to get involved in our community and support Australia's leading heart health charity, the Heart Foundation. The Jump Rope team provides us with lots of resources and support to implement the program and in return we ask that students help by seeking sponsorship for their involvement.

**Sponsorship is easy - Simply go online to www.jumprope.org.au
- Click on the KIDS tab and click on REGISTER**

- A secure fundraising page will be created as soon as you register; and then you are encouraged to share this link with as many people as possible. This is an easy, safe way for your child to monitor their progress, receive bonus prizes and even receive sponsorship from family and friends who are further afield.

At the end of the program we will be holding a Jump Off at Nyngan Public School, an event to celebrate the terrific work of the Heart Foundation Jump Rope for Heart program. The Jump Off day will be held in Term 4 and is a great opportunity for you to witness how much fun skipping can be, come along and pick up a rope!

Please let Miss Kendall know when your child(ren) has finished fundraising online. You may like to print out a copy of the donations received online.

Thank you for joining us in the fight against heart disease.
