Waste 2 Art

WHAT IS WASTE TO ART?

Waste to Art is a community art exhibition and competition open to all local residents of the NetWaste region. It engages the community and showcases creative works made from reused & recyclable waste materials.

The 2025 theme is "Toys".

Bill Tink from NetWaste visited our school to run workshops with our students. After these visits students were inspired to continue with their creations. Over many lunch breaks leading up to the Nyngan Show, students had the opportunity to work in groups to finish their entries around the competition theme of "toys".

Nyngan PS entered many entries into the Waste 2 Art into the competition which were displayed at the Nyngan Show.

CONGRATULATIONS to Harmony, Matilda and Zarron on their entry "Stuff Turtle".

CONGRATULATIONS to Luke, Hunter & Kaileb on their entry "The Wood Truck"

Well Done!

These two entries have now progressed to the Sims Metal Waste 2 Art Regional Showcase to be held at the Western Plains Cultural Centre in Dubbo in September.
